DISCLAIMER

Everything you do during your Ski Safari you do at your own risk

To make your arrival in the Dolomites as plain sailing as possible, please could you and each member of your party read and sign this disclaimer, handing it to us on your arrival. If it is not possible to obtain all signatures prior to your holiday, signatures will need to be obtained on your party's arrival in the Dolomites. Your 'Ski Safari' shall be led and organised by a qualified ski guide, but you participate at your own risk as part of an autonomous group, in which each member of the party is responsible for their own safety and has a duty of care to their fellow skiers.

In these days of litigation, it is important you and your party understand your relationship with Collett's Ltd (trading as Collett's Mountain Holidays). Without your party's signatures on this disclaimer, we would reluctantly have to (1) ask you to not to join your Ski Safari, and (2) decline passing on information and opinions to you during your stay.

Information & Opinions

As part of your Ski Safari a Collett's organiser or host may offer information and opinions on the area that relate to skiing and winter activities generally. They will try to give accurate and appropriate information and opinions, but we shall take no responsibility for them and you act on them at your own risk. By signing this disclaimer, you agree you do not hold Collett's Ltd responsible for any information or opinions we offer you during your stay and that you do everything during your stay at your own risk.

Organised Ski Safari Itineraries

Your guide, itinerary, transport (other than to/from the airport) and accommodation are supplied by MSA srl trading as Arabba Holidays, for which Collett's Limited acts as agent. Consequently, each Ski Safari is neither run nor controlled by Collett's Limited and we are therefore not responsible / liable for its provision or for anything that happens during the course of its provision by Arabba Holidays. You therefore acknowledge that Collett's Limited acts as the disclosed agent of Arabba Holidays, and you agree that in the unlikely event that you need to make a claim, you shall make this against Arabba Holidays, and not Collett's Limited.

Our organisers / hosts attend these Safaris out on a goodwill basis, by signing this disclaimer you confirm the following:

- You understand our organisers / hosts are not qualified mountain or ski guides.
- You join them at your own risk and of your own free will as part of an autonomous group, in which each member of the group has a duty of care to each other and is happy to accept the discretion of the group members in the event of injury and/or the need to be rescued.

Activities supplied by Third Parties

We are happy to inform you of (and book) activities supplied by third parties but It is important that you understand that: these excursions and activities are neither run nor controlled by Collett's (even if advertised by us); that we only act as your agent; and that your contract for these services is with the third party supplier in question and not Collett's Ltd. Consequently, we are not responsible/liable for the provision of any such third party excursions or activities or for anything that happens during the course of its provision by the supplier. This applies to all activities advertised by Collett's, on our website and in resort.

Finally, during your stay, you might inadvertently (or not!) be included in photography that subsequently appears in Collett's promotional materials. By signing this disclaimer, we shall assume this is ok with you.
