DISCLAIMER

On a Collett's Mountain Holiday you do everything at your own risk

Please could you and each member of your party read and sign this disclaimer, handing it to us on your arrival. If this is not possible, signatures can be obtained on your party's arrival. In these days of litigation, it is important you and your party understand your relationship with Collett's Ltd (trading as Collett's Mountain Holidays). Without your party's signatures on this disclaimer, we would reluctantly have to (1) ask you to not to join our organised itineraries, and (2) decline passing on information and opinions to you during your stay.

Information & Opinions

We offer information and opinions on the area that relate to skiing, snowshoeing, winter walking, cross country skiing, places of interest and more besides. We try to give accurate and appropriate information and opinions, but we take no responsibility for them and you act on them at your own risk. By signing this disclaimer, you agree you do not hold Collett's Ltd responsible for any information or opinions it offers you during your stay and that you do everything during your stay at your own risk.

Organised Skiing, Snowshoeing, Cross Country and Winter Walking Itineraries

Our organisers attend these days out on a goodwill basis so that you might partake in an itinerary you might not otherwise come across during your stay in the sociable company of like-minded people.

By signing this disclaimer you confirm the following:

- You understand our organisers are not qualified mountain or ski guides.
- You join them at your own risk and of your own free will as part of an autonomous group, in which each member of the group has a duty of care to each other and is happy to accept the discretion of the group members in the event of injury and/or the need to be rescued.
- You will only join an organised skiing, snowshoeing, cross country or winter walking itinerary having independently studied the route sufficiently and deemed it to be within your capability.

Activities supplied by Third Parties

We are happy to inform you of (and book) activities supplied by third parties but It is important that you understand that: these excursions and activities are neither run nor controlled by Collett's (even if advertised by us); that we only act as your agent; and that your contract for these services is with the third party supplier in question and not Collett's Ltd. Consequently, we are not responsible/liable for the provision of any such third party excursions or activities or for anything that happens during the course of its provision by the supplier. This applies to all activities advertised by Collett's in our brochure, on our website and in resort.

Finally, during your stay, you might inadvertently (or not!) be included in photography that subsequently appears in Collett's promotional materials. By signing this disclaimer, we shall assume this is ok with you.
