Transfers & Arrival Day

If you have booked an Airport Transfer, you will be met by a member of our staff at the airport at a pre-arranged time. Details of transfer times are posted by Dee Collett in the form of a letter to the person who booked the holiday.

At Venice Marco Polo & Treviso Airports, we meet by the café in the Arrivals Hall – Transfer Time: 3½hrs.

Important Notes concerning Collett’s Transfers - We try to keep ‘waiting at the airport’ to a minimum, but you have booked a transfer on the understanding that it is a possibility on both your day of arrival and departure. We are not offering a personal taxi service. Our transfer times are set to help us group people together from a number of different flights, both morning and afternoon. Waiting may also be caused by delayed flights – within reason. Please cancel your airport transfer and make your own plans if you are not happy with these arrangements, which by and large work very well.

On arrival in the Dolomites you will be welcomed and settled in. We place the emphasis on getting you settled in, relaxed (with a drink) and well fed, given access to relevant information regarding the next day’s itineraries.

Fly Drivers & Self Drivers

If you are hiring a car, self driving or arriving by public transport, rather than joining us on a transfer please refer to our Directions and Maps at www.bit.ly/Dolomites-Directions
